

ELSA - Emotional Literacy Support Assistant

Effective learning through meeting social, emotional and mental health needs.

Futures in Mind are a nationally recognised and registered provider of ELSA training. We are the *leading provider* of ELSA training across Lincolnshire and Rutland.

What is ELSA?

The ELSA programme is an evidence informed, nationally recognized approach to supporting children and young people with social and emotional needs. Once trained by our highly experienced EP's, ELSAs can become an integral part of your school's approach to supporting these vulnerable pupils.

Benefits of investing in the ELSA programme:

- Improvements in academic attainment of pupils.
- Enhanced staff and pupil relationships.
- Decreases in mental health issues.
- Reductions in the incidents of challenging behaviour.
- Improved staff confidence, skills and knowledge.

'... the skills/knowledge gained are fantastic for applying or even slotting into existing practice.'

How to get the best out of the ELSA programme – best practice:

- ELSA is most effective when it is part of a whole school ethos.
- ELSAs (trainees) have the full support of the senior leadership team and staff.
- The ELSA is supported by a knowledgeable line manager.
- The school commits resources and time to support ELSA work.

Further information about ELSA can be found at www.futuresinmind.org and the ELSA Network www.elsanetwork.org
